A U S T R A L I A

Tropical greetings from - Exclusive Spas Australia,

We thank you for your enquiry in relation to employment with Exclusive Spas Group Australia Pty Ltd.

We take the opportunity of briefly outlining our company's background and the minimum requirements for consideration of entry to Exclusive Spas.

These purposefully built spas are charming, elegant and extremely ambient. The unique nature of the designs of these spas reflect their exotic geographical locations and the market in which they are embraced. Although each spa has been individualised the same successful principals pertain to the core design and operation of an Exclusive Spa.
